

TODAY'S VOICE

for global affairs & geopolitics

PETER ZEIHAN

- Geopolitical strategist and global affairs expert
- Media commentator including the NYT, CNN & NPR
- Author of critically-acclaimed books *The Accidental Superpower* and *The Absent Superpower*.
- Keynote speaker to Global 1000 companies

With a lively non-partisan approach backed by a decade in private intelligence, Zeihan customizes every keynote to show each audience exactly why their world is changing fast—and how they can get ahead of it. Zeihan illustrates how geography redefines global power, how demographics doom the current trade order, and how the shale revolution is triggering international collapses from Russia to Iran to China.

NEW KEYNOTES

THE END OF THE WORLD... AND OTHER OPPORTUNITIES

Conflicts Russian, Middle Eastern and Asian are about to trigger the greatest energy crisis in history. Dozens of countries are slipping into deflationary spirals from which there is little hope of escape. And America's swerving into demagogic populism will unhinge its entire alliance network.

The world as we know it is in its final days. Find out how and why it all came to be, how and why it is all falling apart. But most of all find out how the world's end heralds the greatest expansion in American power and security in the history of the Republic.
